Foreword

The world was shaken to its depths by the tragic assassination of our beloved President, John F. Kennedy, but the world will never forget him and for many reasons. One of these was his incomparable ability to express in beautiful language his soaring thoughts and fundamental beliefs. With this in mind, we have chosen "Words to Live By" as our theme, and we have used his words and the words of some of our other great leaders as banners to guide us all toward a more perfect existence with our fellowmen.

Dedication

Our theme of "Words to Live By" is an especially fitting one to use in a book dedicated to our esteemed Principal, Mr. Charles A. Hayden, who is retiring from office this year. We are deeply grateful to him for all his words to us throughout our high school days. He spoke them all well and from deep conviction. We are all better citizens because of them. It is our pleasure and pride to dedicate this book to him as our small gesture of eternal gratitude.

Mr. Charles A. Hayden entered the Norwood School System in 1930 as a teacher of Latin and a coach of debating. He came with a Bachelor's and a Master's degree from Boston College, and an innate ability for leadership. By 1933 he was submaster of the High School. During World War II, he served his country in the Air Force as a navigation instructor. For the past 18 years as principal, he has worked whole-heartedly to give Norwood High School students a solid education and the incentive to strive constantly for the best.

Mr. Hayden is a very accomplished speaker and one to whom the proper phraseology for any situation comes with great ease. His standard of behavior "in a nutshell" to all students, "Ladies and Gentlemen Always," will ring in our ears as long as our memory of high school days lingers.

We Seniors particularly remember his stirring memorial speech following our President's death. He inspired us with a desire to serve our country, as he beautifully eulogized our young President. He has always risen to the occasion whether we needed advice, consolation, discipline, or encouragement.

His understanding of our youthful idealism and energy has always been profound and penetrating. Never did he discourage, never did he condemn. It was always, "I know you can do it, I trust you, just try."

We in this country, in this generation, are—by destiny rather than choice—the watchmen on the walls of world freedom. We ask, therefore, that we may be made worthy of our power and responsibility—that we may exercise our strength with wisdom and restraint—and that we may achieve in our time and for all time the ancient vision of peace on earth, good will toward men. That must always be our goal—and the righteousness of our cause must always underlie our strength. For as (it) was written long ago: “Except the Lord keep the city, the watchman waketh but in vain.”

—John Fitzgerald Kennedy

We venerate more widely than any other document, except only the Bible, the American Declaration of Independence. That Declaration is a voice of conscience establishing clear, enduring values to the lives of all men. It stands enshrined today as a charter of human liberty and dignity. Until these things belong to every living person, their pursuit is an unfinished business to occupy our children and generations to follow them. In this spirit we stand firmly in defense of freedom.

The V.I.P.'s

Seated: Helen Abdallah, William Bazy.
Standing: William Jank, Anne Drew, Steven Bowen.

1964 Officers as Sophomores

Abdallah, Bazzy, Hunnewell, Cox, Donahue, Anderson, Jank.

When We Were Young and Green

OUR SOPHOMORE YEAR

Looking back to our first high school year and our "green" arrival, we see the disorder and confusion due to the construction of the new addition, the split sessions and the annoyance of sharing lockers with the incoming Freshman class. Everyone was at first dismayed, afraid, and ready to return to the Junior High, but slowly we became accustomed to the newness and we were proud of our school.

We elected William Bazzy as our class President, Helen Abdallah as Vice President, and Elizabeth Anderson as Secretary. The class Treasurers were William Jank

and Judith Hunnewell, and the A.A. Representatives were Paul Donahue and Marilyn Cox.

On October 27, 1961, the Sophomore Class Party was held in the gymnasium. The entertainment was a pantomime of a professor by Ralph Nixon with Victor Lapuzynski as the voice, and a skit featuring Richard Susi, Robert Lynch, John Maddocks, Leah O'Leary, Albert Kubok and Alan Whitty.

Thus, were our beginnings, when we were still on trial, but staunch supporters of the "School on the Hill."

When We Began to Sprout

OUR JUNIOR YEAR

The class of 1964 returned to the halls of Norwood Senior High School in September of 1962 to add another year to their experiences and more laurels to their class accomplishments. The new addition was finally completed and as responsible Juniors we could now settle down to serious and much needed study.

William Bazzy was deposed by Roger Ferris as class President but Helen Abdallah was re-elected vice-President, and Elizabeth Anderson, Secretary. Patricia Greene and John Griffin became the class Treasurers, and Donna Brefini and Paul Donahue, the A. A. Representatives.

Perry Lynn Moffitt won the coveted honor of being our Foreign Exchange Student and of spending the summer in Den-

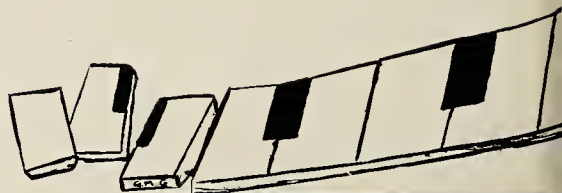

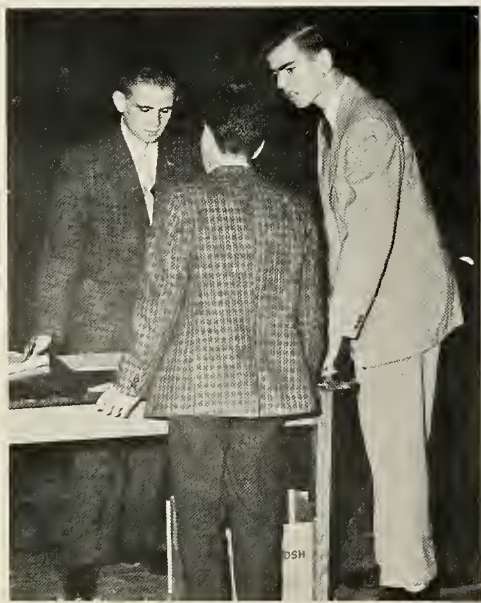

mark. Thomas Clifford gained recognition as the winner of the Harvard Book Prize for being the outstanding Junior boy.

Some junior boys excelling in the field of sports were Alan Whitty, Paul O'Donnell, Thomas Clifford and John Bayer of the hockey team. Some well-known gridiron players were Steven Bowen, Paul Donahue and Robert DeRose.

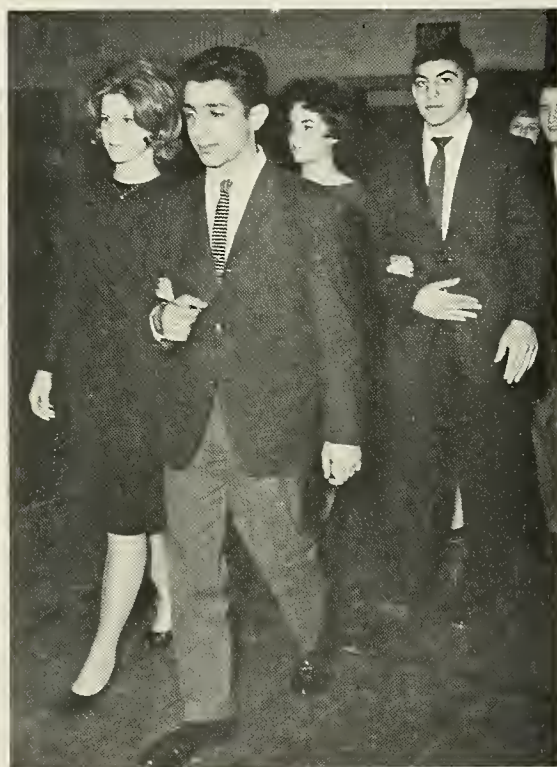

Our Junior Prom with the theme of "Tonight" was the major enterprise of the class. Our "Tonight" was indeed the big night of the year. Our last project as Juniors was to be hosts to the outgoing Seniors on their Class Day. This we performed with mingled spirits of gaiety and sadness as we bade farewell to our admired predecessors.

When We Came to Full Bloom

OUR SENIOR YEAR

This was the year of the fair sex, as Helen Abdallah became the first girl Senior Class President in the history of Norwood Senior High School. She, an inspired leader, was supported by a strong corps of class officers: Vice President—Gary Crowell, Secretary—Martha Black, Treasurers—Alan Whitty and Patricia Greene, and A. A. Representatives—Marjorie Pender and John Bayer.

Perry Lynn Molfitt, our Foreign Exchange Student, had a tremendously exciting time abroad in Denmark and her assembly review of the summer made us feel we had been there ourselves.

Our sports immortals were just that, especially in hockey, where we captured the Bay State title, with these outstanding play-

ers: John Bayer, Alan Whitty, Paul O'Donnell, John Koval, Richard Lovell, and Thomas Clifford.

Our football team fought with undiminished courage in the face of a disappointing season. Some fighters in the squad were Paul Donahue, William Bender, David Flood and Robert DeRose.

A gymnastics team was formed under Mr. Malvinni's direction and won a number of victories, featuring, Steven Lambert, Michael Carney and Joaquin Branco.

Our basketball team had a rather disheartening season but David Eck, Ronald Stravinski and William Bender gave outstanding performances.

Norwood's indoor track team finished in a tie for first place in the Metropolitan

Track League. The trackmen lost but one close meet. All four seniors, Scott Lennox, William Reynolds, Edward Martin, and Steven Bowen were major contributors. In addition, William Reynolds was the state class "B" hurdle's champion and represented Massachusetts in the Nationals, while Steven Bowen was the state shotput champion and broke the Metropolitan Track League Division III shot record.

Work began in September on the Tiot staff, with Anne Drew and Steven Bowen as co-editors-in-chief. Susan Ramoska and Marcia Donahue were selected as art editors; Marilyn Cox and Thomas Clifford as circulation editors; Perry Lynn Moffitt and Paul McGuire as advertising editors; and James Sweeney and William Bazy as sponsor chairmen. This crew worked continuously all through the year with Mrs. Riley to present an outstanding yearbook which we proudly and gratefully dedicate to our retiring principal, Mr. Charles A. Hayden.

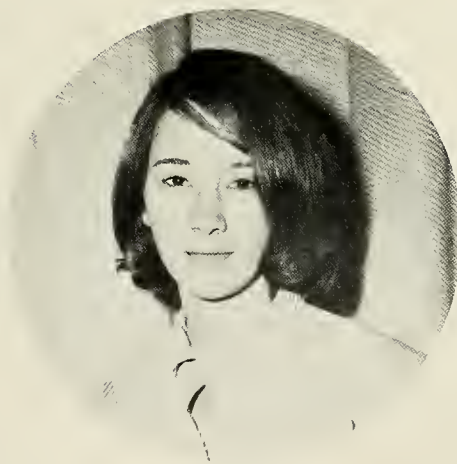

Under the guidance of Mrs. Staton, Nancy Wolley and William Jank, the editors, got the Hilltopper under way this year. They featured the many sports events of the year, school events, creative writings and humor. Six issues were presented.

Our Senior Play, "Cheaper by the Dozen" starred Steven Bowen, Leah O'Leary, Carol Waukonen, Ralph Nixon, Reed Peterson, Nancy Johnson, David Marks, Maureen Flynn, and William Bazy.

The Senior Musicale, "Serenade to Spring," displayed excerpts from many Broadway musicals and was directed by Mr. Faucett.

The most important social event on our list was, of course, the Senior Prom held at the Sydney Hill Country Club where the night, the music, the gowns all combined to make an enchanting evening.

Now we wait for our class banquet and our graduation on June 7th when we will say au revoir forever to our high school days and to Norwood Senior High School. We owe and we give our heartfelt thanks to Mr. Hayden, Mr. Monbouquette, Miss Ryan, our guidance counselors, class advisors, and our teachers.

This nation has placed its destiny in the hands and heads and hearts of its millions of free men and women, and its faith in freedom under the guidance of God. Freedom means the supremacy of human rights everywhere. Our support goes to those who struggle to gain these rights or to keep them. Our strength is our unity of purpose. To that high concept there can be no end save victory.

Guidance Department

Individual guidance and testing for Norwood's 1500 students is conducted by a staff of four certified counselors and a secretary in the cheerful atmosphere of the Guidance Suite across from the main office.

Students may make appointments with their own counselors as needed whenever their program permits. Topics frequently discussed are educational plans, interpretation of test scores, college admission interviews, and placement possibilities. Counselor-pupil ratio this year is 379 to 1.

Norwood High School's diversified testing program compares favorably with other A-1 secondary schools. The academic as well as the non-academic is considered in the tests offered. Testing for vocational aptitude takes place in collaboration with the United States Employment Security Office in Norwood. Psychological testing as needed is administered by the counselors who are all certified testers. The facilities of the Norwood Guidance Center is available on a referral basis.

A follow-up program of each graduating class is establishing a strong bond between the school and its alumni. Past graduates are increasingly returning for assistance in college applications, transfers, job recommendations, and programs of adult education.

English Department

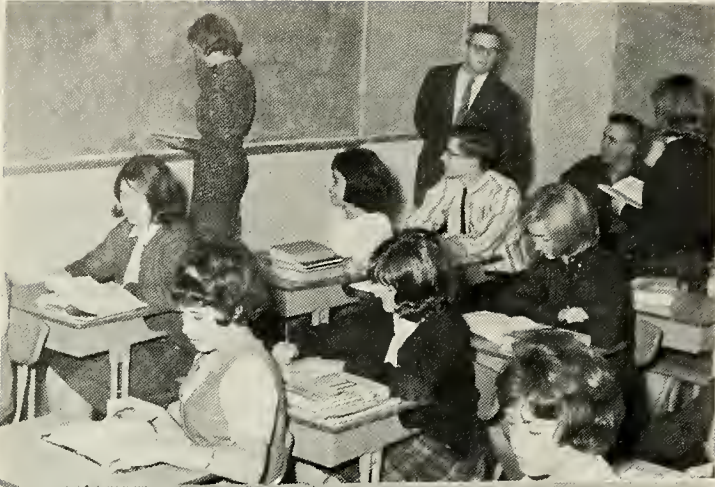

The Norwood High School English Department provides instruction and cultural enrichment on five levels to provide for the particular needs of all students. The acquisition and development of skills in reading, writing, and speaking, and their application in the modern world comprise the departmental course offerings.

Students are encouraged to continue to develop an awareness of the practical and aesthetic aspects of the phases of the traditional English curricula. Varied literary types of all cultures and eras form the core around which revolve compositional, rhetorical, grammatical and oratorical experiences of the English classroom. Also offered, to selected senior and junior students as an elective, is an advanced seminar course entitled, **Utopian Societies in Literature**.

Students are placed in English classes at levels or tracks which are designed to fulfill individual pupil needs and aptitudes. Every effort is made to make instruction in English meaningful and rewarding.

Math Department

Last September as an experiment, we began the use of programmed text books in some classes in Algebra I and in General Mathematics. Amazing results from these experiments seem to be in the offing. At this time, our tentative conclusion is that we should continue and extend the use of this very promising material.

Also last September for the first time, we began a full year course in Calculus for accelerated mathematics students. In the spring these students will take the advanced placement mathematics examinations. Thus, before High School graduation, these students will have completed a full year of college mathematics.

With regard to the evolution of our mathematics offerings from the traditional to the modern, our Mathematics Chairman reports in part:

"At the beginning of our next school year, we shall have completed the first phase of the revision of our mathematics curriculum, a revision begun four years ago. Beginning in September, all our mathematics classes will be following a modern mathematics program."

Foreign Language Department

Three foreign languages may be studied at Norwood Senior High School: French, Spanish and Latin. If the student completes the first level of French at Junior High School, he may continue through the fifth level at Senior High School. Four levels of Spanish and Latin are offered.

The language laboratory continues to be an effective force in developing oral proficiency. The student may drill on systematic linguistic exercises, and also may listen to and imitate the pronunciation of native speakers, which may improve his comprehension by listening to a variety of recorded material. This year beginning classes were given an additional laboratory period whenever possible. One supplementary period a week was devoted to remedial work with the intermediate group. An after school program of supplementary oral training was set up for all advanced classes.

Science Department

Science in Norwood is changing as it is throughout the country. In an effort to be neither last nor first to try out the new approaches to Science and to stretch the minds of both students and teachers, we are continuing with the TSSC Physics because it remains the best available. We are teaching the new CHEMS approach to chemistry and feel that it is a refreshing study and as the book says, "An Experimental Science." As a concession to convention we are continuing several sections of the usual approach to Chemistry. Biology has kept pace with a new development called "The Blue Version" that approaches the subject from the Biochemical angle, again with many new laboratory ideas. Our Freshmen have both Earth Science on two levels, and Space Science, which is an advanced General Science program. New faces and new ideas to go with our still new building!

Business Department

The demand by business and governmental organizations for qualified personnel still exceeds the supply.

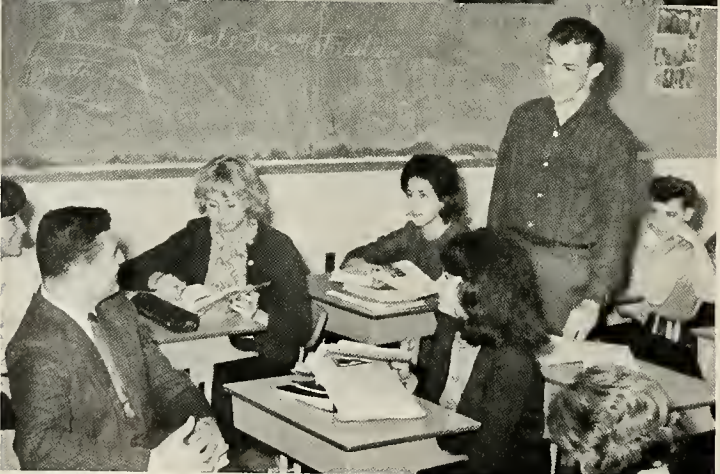

Through the cooperation of the United States Civil Service Regional Office in Boston, we have conducted Stenography-Clerk-Typist Civil Service Examinations here at Norwood High School for the past two years. Through our Guidance Department many of our young people are given the opportunity to consult with local businessmen relative to employment after graduation.

The department offers a thorough secondary school training in all phases of business. The curriculum includes: General Business Training, Typewriting, Business Machines and Filing, Stenography and Transcription, Business Law, and Bookkeeping. The classes in Personal Typing have expanded to the point where nearly 40% of our high school students are studying typewriting at some level.

Each year many of our graduates continue their formal education in schools of higher learning either as full-time day school or as evening school students.

History Department

The basic objective of the History Department is to develop an appreciation of mankind past and present.

Freshmen receive a foundation in the study of ancient man and his contributions to the modern world. Sophomores study the beginning of the modern world problems and follow the development of the modern world through World War II. American history is offered the junior year and surveys the economic, political and social development of the United States. At the senior level Modern Problems surveys contemporary man and society, with emphasis on the American's role in world society.

By the senior level the student has experienced a broad sampling of historical study techniques, research methods, and great world philosophies. The student also studies the foundations of American Government at the junior and senior levels.

It is intended that the acquisition of these knowledges and skills will provide the students with a democratic frame of reference through which he can become a contributing and effective member of our society.

Library and Reading Program

LIBRARY

Our school library has now reached a total of 5500 volumes. However, there, is much more growing to be done before the library can be considered adequate for a school of 1500 pupils.

The past year has seen marked increases in attendance and circulation of books. "Standing room only" is frequently the order of the day.

A faculty professional library has been established in a balcony conference room. It is hoped that, as this collection grows, it will become a valuable means of professional enrichment for our teachers.

The Library Service Club has proven itself indispensable to the efficient conduct of the Library. It is the sincere hope of the library staff that the experience is as rewarding for the Club members as it is for the library.

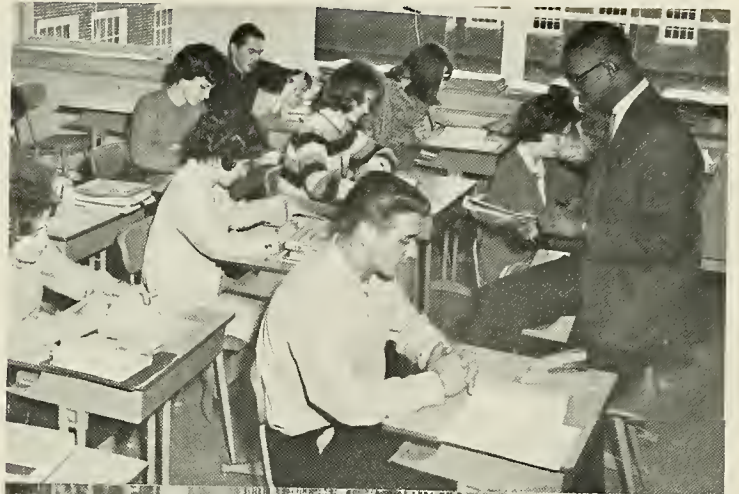

READING

Norwood Senior High School provides a two-fold reading course for the purpose of enhancing each student's reading abilities. The course places emphasis on reading as a skill used throughout life.

The freshman course provides intensive work in study and organizational skills; vocabulary, spelling and recreational reading. This course also provides remedial reading work for slow readers.

Students in grades 10, 11, or 12 receive extensive work in varying the reading rate, critical reading, advanced vocabulary, and recreational reading.

With each class two instructors make ample use of modern laboratories and equipment.

Home Economics and Industrial Arts

HOME ECONOMICS

The Betty Lamp, Symbol of Home Economics, has reached a new goal in Norwood High School. Here, in the modernly-equipped laboratories, the high school girls have the opportunity to develop their skills in homemaking. The girls have learned new and different techniques which will help them in their future as housewives and career girls. With our newly-installed ranges, cooking has been simplified, and the wonders of these ranges are unlimited.

In our modern sewing room, girls can make and design their own clothes. Even with the new inventions today, girls must know how to sew and prepare foods.

Homemaking has always been an essential part of every girl's life. Through the Home Economics Department, girls are able to acquire and improve these skills.

INDUSTRIAL ARTS

The Industrial Arts Department offers to every student the opportunity for experiences in a group of courses planned to meet their interests and ambitions.

For the Freshman, an introduction to the universal language of the world—a course prepared and designed to give an understanding of mechanical drawing and how to use this graphic language in many industrial fields. Shop work in each of two areas provides the student with manipulative skills and techniques characteristic of the subject involved, i.e. WOODWORK I and METAL WORK I.

For the Sophomore, the courses are the same as the preceding year, except a higher level of subject material and experiences are undertaken. The beginner cannot enter WOODWORK II or METAL WORK II, unless he has fulfilled the requirement of the previous year. These courses are for one half year. Graphic Arts is open to a selected few to replace those who graduate, and eventually work up to a level of responsibility. ELECTRONICS is introduced in theory only to those who are capable of learning the complexities of this field of study.

Juniors and Seniors follow the courses mentioned above, but are required to carry a higher level of subject matter, both in advanced machine work and projects.

Art and Music Department

MUSIC DEPARTMENT

The Music Department continued its expansion this year by the addition of two new choral organizations: The Concert Choir and the Choralaires. Both groups contributed to a fine Christmas concert and to many varied activities throughout the year.

In instrumental music the Band substantially increased its membership and held concerts at both the school and throughout the community.

Once again music was taken for a half year by all incoming Freshmen. Encouragingly, many Freshmen also contributed to the school's musical activities by participation in the Freshmen chorus.

A course in music appreciation was offered this year and the continuance of this subject is planned.

As always, the Music Department encourages direct participation in some musical activity by as many members of the student body as possible. It is our belief that a fine music program can greatly enrich our school and its influence in Norwood and neighboring communities.

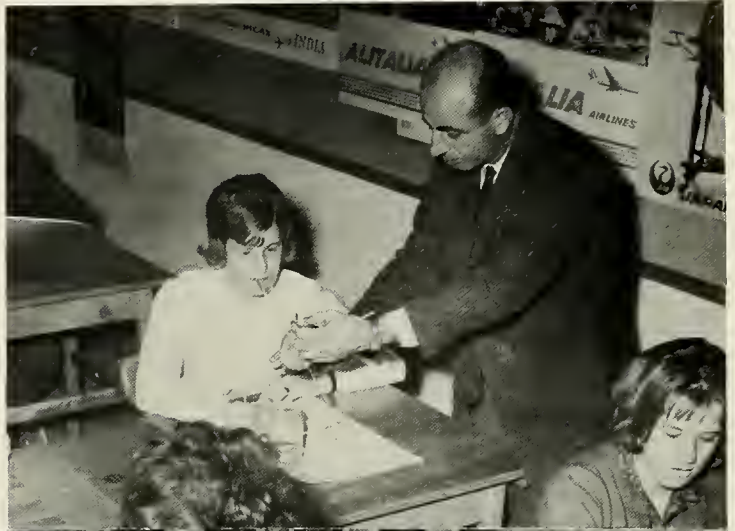

ART DEPARTMENT

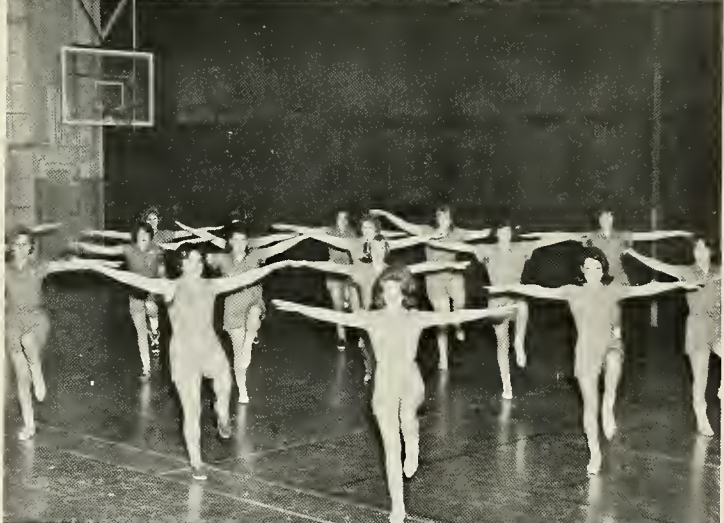

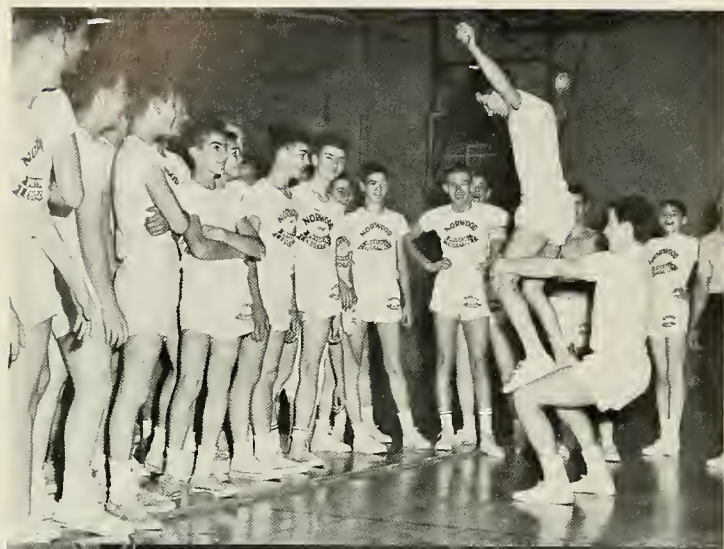

The provisions of the Art Department are so arranged that all students of mixed abilities and talents can apply themselves to a variety of creative experiences. These experiences are realized through a wide range of art media. Such materials and methods as block printing, drawing, sculpture, ceramics, oil painting, and many others provides the student with the opportunity to develop a personal interest in art.

In addition to the general art program, students desiring to go on in their art studies either at a university or professional art school, will find the art program providing them with necessary preparation.

Students desiring to further their background knowledge of the arts and humanities, learn to appreciate great art and to recognize the outstanding painters such as Rembrandt, Van Gogh, and Picasso.

Physical Education Department

Our program in Physical Education is an integral part of high-school education and it has been expanding rapidly in recent years. It is the source of the development of various motor skills which have carry-over value for the future. Participation by all students in some aspects of this program, curricular and extra-curricular, is our aim. We also aim to develop correct attitudes towards play and to set up proper standards of sportsmanship.

Physical Education classes are held two periods a week for Seniors and Juniors and three periods a week for Sophomores and Freshmen. The Seniors have Hygiene instruction once a week.

Intramural sports offered for girls are field-hockey, basketball, tumbling, softball, and gymnastics. The boys' intramural program consists of soccer, football, tennis, basketball, gymnastics, weight training, and wrestling.

The interscholastic program, also a very important part of our physical education setup, is conducted for girls in field hockey, basketball, tennis, and softball; and for the boys in football, hockey, baseball, indoor and outdoor track, cross country, golf, and tennis.

Merci Mille Fois

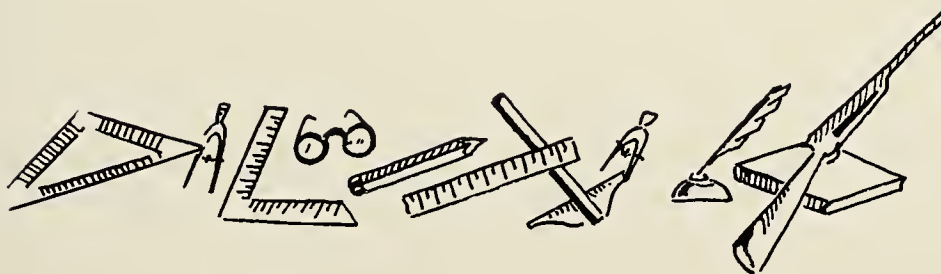

Over ninety years of service is represented by the teaching of careers of Miss Erna Kiley and Mr. Clifford Wheeler who are retiring from teaching this year. The tremendous benefit derived by hundreds of students from the efforts of these educators over so many years cannot be overestimated. The town and the school system have been most fortunate to have had their allegiance and their services, and their names are interwoven in the pleasant memories of myriad graduates.

During Miss Kiley's years of teaching in the Physical Education Department her extra-curricular duties have entailed coach-

ing Girls' Basketball, Field Hockey, Softball and Tennis and she has also trained the cheerleaders.

Mr. Wheeler headed the Vocational School for many years and taught Mechanical Drawing. He also officiated as Teacher's Credit Union Representative and undertook extra-curricular duties as track coach and sponsor of a Rifle Club which won national recognition.

To both these estimable teachers we bid a fond farewell as we wish them many years of leisure and happiness as free agents, far from the hurly-burly of revolving schedules and bell-dominated days.

Since the dawn of history there has existed in the minds of men the longing and hope for national independence and for individual freedom. That spark has many times broken through oppression and burst into victorious flames. Tragically, it has been crushed, not once but many times, and its flame has often become ashes. But never has the iron foot of oppression been potent enough to stamp out the living spark in the ashes. That spark again sprang to flame in the New World—never since to be extinguished. It became once more a flame that lighted the skies and all the earth.

The Saga of Our Sojourn

PEABODY CLASS HISTORY

As we went through the doors of the Henry O. Peabody School that first day in September, 1961, we had the feeling that a new world was before us, a world of adult responsibility. With three years ahead in which to prove ourselves, we were determined to make them fruitful ones.

The adjustment to our new school, where we were tutored in our special trades, was made rather quickly. Even before we knew it, the time had passed so rapidly and our first year was over!

In September, the upper-classmen welcomed us by having a get-together at Rocky Woods Reservation in Medfield, and we shall always remember this picnic with its pie-eating contests and the sack races.

The Thanksgiving holiday was a gay one for we enjoyed the luncheon prepared by the Foods Department. Following this event, we found that Christmas, with its traditional spiritual program featuring "The Christmas Story," was upon us. "Operation Santa Claus" and a luncheon were part of these festivities. At this time, we honored Mrs. Amos C. Kingsbury, our retiring Director, and welcomed Miss Ann E. Donovan as our new Director.

In March many of the students took a trip to Boston to enjoy "The Sound of Music." Immediately after this affair, we became engaged in planning refreshments and decorations for our May Prom, "Harbor Lights." Following this was the June Step Party for all our graduates, which marked the end of our second year.

Happy and full of pep after our long, summer vacation, we renewed our old friendships and greeted some newcomers by sponsoring an entertainment in the cafeteria. Two new faculty members joined

us — Mrs. Clapp in Science, and Mrs. Sallet in Art.

Four seniors were elected to head the Student Co-operative Association: Carol Anthony, president; Elaine Marathas, vice president; Valerie Leary, secretary; Albert Hayes, treasurer.

Our plans for our traditional Thanksgiving luncheon were clouded by the assassination of our beloved President, John Fitzgerald Kennedy. In his honor, we presented a short memorial program. It was with somber faces that we ushered in our Christmas season by presenting our program, "Symbols of Christmas," and also our "Operation Santa Claus."

Senior "superlatives," senior pictures, and yearbooks, all made us realize that our three years were drawing to a close. With it all, we felt a sense of accomplishment—a feeling, too, that a new life was beginning—that of earning, living, and growing.

We have no selfish ends to serve. We deserve no conquest, no dominions. We seek no indemnities for ourselves, no material compensation for the sacrifices we shall freely make. "We Were Very Prominent Citizens"

Junior History — Class of 1965

The Class of '65 returned in September for our third year, full of spirit and ambition. As Juniors, we willingly shouldered the responsibilities of upperclassmen.

In the fall elections the class once again supported Paul D'Espinosa as President; Kenneth Joseph as Vice-President; Mary Ann O'Day as Secretary; Jane Gaetani and James Donovan as Treasurers and Nancy Donovan and Joseph Flaim as the A.A. Representatives. Patti Sweeney, Janet Carlson, and Jane Fuller were elected cheerleaders.

Other prominent members of the Class of '65 this year were Arlene Black, Vice-President of the Student Council and finalist in the Foreign Exchange program; John Lanzoni, chairman of the S.C.O.R.E. project; and Joanne Sawkiewicz, chairman of the Decoration Committee for the Junior Prom.

We commend Vito Anello, Jack Lanzoni, Ed Mogan, Bill McNamara, Rick Santaspargo, and Joe Flaim for their performances on the football field; Paul Angelo, Timothy Twoomey, and Blaine Maus, of the hockey team; John Baker, Eugene Ostegren, Andrew Howard, and Joe Ma-

loney who helped the indoor track team earn the championship; Francis MacCaulley, Bill Lindblom, and Charles Hopkins, for their efforts on the basketball court; and Don Leavitt, of the Gymnastic Team.

Without a doubt, we have had an exciting and rewarding year. We eagerly await our chance to further establish our enviable reputation. The Class of '65 will continue to be "the best."

"We Could at Least Look Down on the Freshmen"

Sophomore History — Class of 1966

September of 1963 found our class re-assembled,—no longer the verdant freshmen. We had suddenly become typical, self-assured, wise "old Sophs."

After vigorous campaigning, we re-elected the same slate of officers: William Crowley, president; Elizabeth Callahan, vice-president; Mary Phalen, secretary; Andrea Bremer and Michael Adelman, treasurers; and Martha O'Leary and Frank Danieli, A.A. Representatives.

Our big social event of the year, the Sophomore Party, was held on October 25 with the theme of "Autumn Leaves." It was a great success.

In field of sports our Sophomore boys have come through with flying colors. John Solomon, Michael Griffen, Frank Danieli, and Chris Efferty were our men on the gridiron. Our hockey heroes were Richard Hebner, Robert Clifford, and William Hasenfus. The present Junior varsity basketball team is made up almost wholly of Sophomores. We look to them for future laurels.

To cheer these boys on, we elected Nancy Devine and Martha O'Leary cheerleaders.

We have gained much experience this year and we will use this to better ourselves and our school—Norwood High School.

Freshman History — Class of 1967

The Freshmen made history at Norwood High School by electing two girls to the highest offices: Caroline Stratton was elected Class President and Eleanor White, Vice President. The other officers chosen were Paula Babel, Secretary; Cathy Fuller and Joe Eysie, Treasurers; and Gale Kelley and Joe Zoffolla, A. A. representatives.

Once adjusted to the maze of corridors and all our new teachers, we felt at home in our new environment and quite elated to be in Senior High School. To be associated with the upper classmen in the school halls gave us a sense of excitement and the feeling of being grown-up. We have tried to establish a good reputation in our new environment.

Our Freshmen party had an Hawaiian theme and our swaying palm trees, erupting volcanoes and Hawaiian punch set the scene for an enthralling evening. A

large and enthusiastic group attended, and the success of our party augurs well for the years ahead, as we strive to make our class one of the best under the banner of blue and white.

Student Council Officers and Executive Board

Row 1: Lindquist, Black, Bazy, Maddocks, O'Leary, Bowen.

Actions Speak Louder Than Words

The Norwood High School Student Council has had a very active and energetic year under the skillful leadership of William Bazy, President; Arlene Black, Vice-President; Leah O'Leary, Recording Secretary; Judith Lindquist, Corresponding Secretary; John Maddocks, Treasurer. The Executive Board consisting of Helen Abdallah, William Bender, Steven Bowen, Patricia Greene, Paul D'Espinosa, Charles Bevivino and John Lanzoni was also essential in setting high standards of leadership at Norwood High.

Our social calendar began this year with the Student Council Dance held in the fall for the benefit of the Foreign Exchange Fund. Originally scheduled for Friday, November 22, 1963, the Dance was immediately postponed when the tragic news of President Kennedy's death was announced. In spite of the postponement, our first social was recognized as a tremendous success.

In February, the Council sponsored the traditional Students vs. Faculty Basketball Game. For the first time, the girls' basketball team played a womens' faculty team between the halves of the game. The faculty teams won in both competitions but the students could console themselves know-

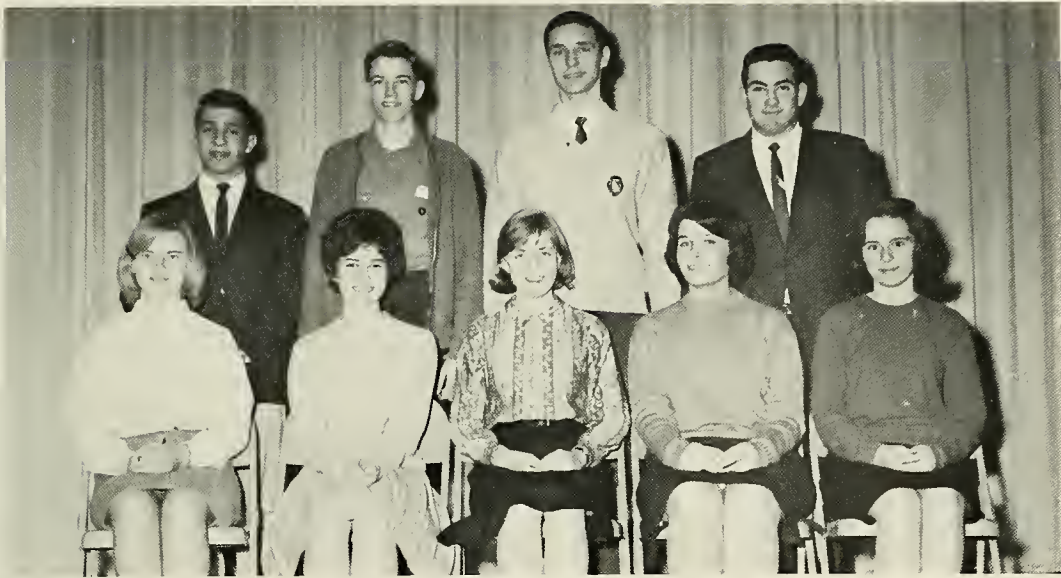

ing that the referees were all faculty members.

For the second year the Council held a three day "Student Citizenship Operation Re-Evaluation (SCORE) program in which the school was divided into small, class-integrated discussion groups. The notes taken by the recorders during these meetings were later compiled and analyzed by a committee of the Student Council.

The Council voted to appropriate a considerable sum of money to be used for a memorial to be placed in the school library in memory of the late President John Fitzgerald Kennedy.

During the year many problems, issues, and accomplishments passed through the Council. Through co-operation and, at times, heated discussions, all the members of the Council showed a sincere awareness of their responsibilities. We sincerely hope the Council of 1963-1964 will be remembered as one that sought and gained improvements in our school.

The Council would like to express its gratitude to Miss Mary Hubbard, faculty adviser, and to Mr. Louis Buscone her assistant. We are especially grateful to our Principal Charles Hayden for his many years of wholehearted co-operation and interest in the Council.

Diplomacy Pays Off

The Foreign Exchange Committee helps promote school interest in our American Field Service program that brings a foreign student to the senior class and sends one of our seniors abroad each year. This year's money-raising Student Council Dance and Student-Faculty basketball game were both very successful.

Our Norwood High Foreign Exchange Student Perry-Lynn Moffitt has this to say about her experience:

"I would rather forget about seasickness, the image the American tourist sets, and the embarrassing mistakes I made in adjusting to Danish life, but the understanding love of my Danish family helped to make my summer an interpretation of the A.F.S. motto—Walk together, talk together, all ye peoples of the world; then and only then will ye seek peace."

There's Room at the Top

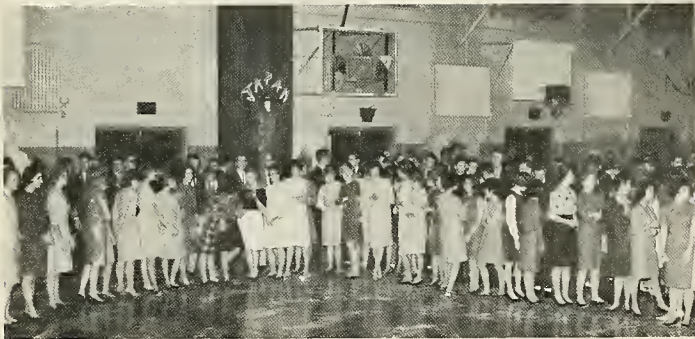

The National Honor Society was founded as a service group, and as a reward for accomplishment in the high school years. A member is supposed to exemplify the qualities of scholarship, character, leadership, and service. Norwood has particularly high scholarship requirements which result in a smaller group but a greater honor.

Our adviser, Mrs. Coburn, and four members of our chapter, including President William Bazy, attended the first annual Eastern Massachusetts National Honor Society Convention in Natick. The four hundred earnest young people attend-

ing provided our students with the incentive to improve our chapter of the Honor Society. A plan was instituted whereby an honor student takes the place of a substitute teacher when one is not available.

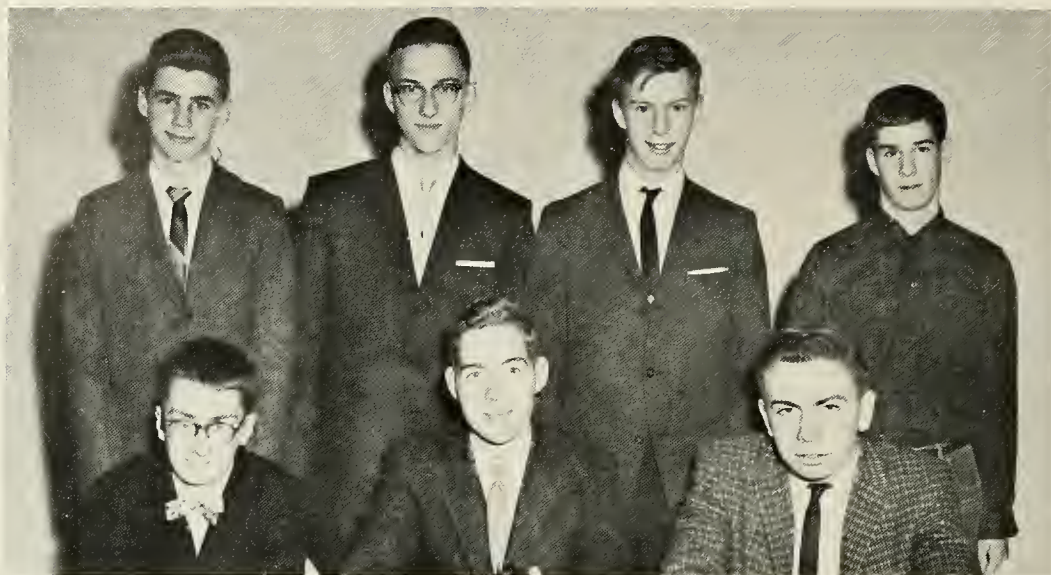

A new system of grade points will be used next year for election of candidates to the Honor Society. A person taking four majors will earn fewer points than one taking five, and points earned in honors courses will carry more weight. Members believe that this will make a fairer, better defined choice.

The Hilltopper Hits the Top

The Hilltopper is the voice of the studentry of Norwood High School. Aside from the "Hearts and Flowers" column used for financial reasons, the editorial section and varied articles attempt to state, propose, or argue matters of particular interest to the student. Local sports, too, have their section.

Two elements are involved in a school newspaper: staff ability and student response. In 1963-64, both made the Hilltopper a success. Pushing and prodding a staff is common, good results less so. Hilltopper members combined ingenuity with quality writing to produce entertaining, interesting articles. Norwood High students apparently enjoyed their newspaper as evidenced by high sales and frequent "Letters to the Editor."

Support by school officials is of utmost importance. Mr. Hayden advised the editor throughout the year. When the newspaper was to go on sale, he showed a Madison Avenue ad man ability. And, of course,

no end of words of thanks could measure the efforts of the Hilltopper faculty adviser, Mrs. Delores Staton. Headaches numberless were her lot; but she endured them all, much as the postman does snow, sleet, hail, or rain, for the presses must roll.

Bill Jank, as Editor-in-Chief, had one purpose in mind in editing the Hilltopper; in his own words, "... contrary to public opinion, ... not to merely publish a 'Hearts and Flowers' column, but to provide discussions of student matters."

Nancy Wolley, Secretary, was in charge of finances: advertisements and the actual selling of the newspaper. Randy Nixon and Reed Peterson, sports co-editors, had the task of attending football, basketball, and hockey games, and gymnastics and track meets.

With all the Hilltopper's proverbial trials and tribulations, it emerged as the student organ. The editors and staff members thank Mr. Hayden and Mrs. Staton for their efforts for its very existence.

Nonsmoker Fumes

Some rules of etiquette may seem rather nonsensical to a number of people, but they are usually based on a correct theory whereby the majority will benefit. Let us concern ourselves with a modern day trend—smoking.

To begin with, smokers and non-smokers never see eye to eye. They cannot comprehend each other at the moment. A common theme of conversation is taking a smoke break. Men. A common theme of conversation is taking a smoke break.

This year, I think N.H.S. is very fortunate to have fine and amiable co-captains as Bill Bender and P. for the football team. Both boys are active in class and well liked by all. One point of notice is the great friendship between Bill and Dun have. I would say the general feeling stems from the common ground.

Our Leaders Speak

ough Norwood High School, like most schools in Massachusetts, has set rules governing the conduct for students while attending the school. I am sure that most of us on the staff and officers for their year can understand these rules. Recently, the school has been having a series of assemblies at the Norwood High School. The purpose of these assemblies is to discuss the rules and the importance of following them. The school has been having a series of assemblies at the Norwood High School. One of the newest groups on the hill this year is the Art Club, formed and supervised by Mr. Leonard Eldridge. The Art Club Department was organized to give the students a deeper appreciation of painting, design, and illustration. Membership is not limited to art students, but is open to all those who are interested in gaining further knowledge in the field of art.

During the year club members visited all the contemporary galleries on Newbury Street in Boston, and the Fogg Museum at Harvard University. At the Harvard School of Design they compared the current programs of study with those offered at Norwood High School. Other interesting expeditions are planned for the future. We are fortunate that Boston offers so many worth-while galleries.

The Chefs' Club was organized last year by Mrs. Rideout. This year it is a well-organized club consisting of twenty boys who are interested in the art of preparing simple, wholesome, and well-balanced meals. There is an efficient group of officers, and they have evolved a constitution which outlines the aims and procedures of the club.

The members meet during activities

period on Fridays and once a month after school; a business meeting is held once a month, also.

The big project of the year is the preparation of a banquet in June known as the "Saturday Night Special" to which special guests are invited.

At each meet, the seven teams in our division match their speed, accuracy, and understanding in the field of mathematics. The members all agree that this type of contest increases their speed in taking time-limited tests and in finding the heart of a tricky example. All contestants have benefited greatly by

visiting other schools and by meeting the challenge of such contests.

There are five members on each team and five categories of examples ranging through trigonometry, algebra II, geometry, algebra I, and arithmetic. The total number of points obtainable is 105, including 15 points for the team question. Mr. Buscone is the able and interested sponsor for the activity.

SENIOR SEMINAR

In order to familiarize the student with the seminar form of teaching and to study the utopian society and analyze our own in terms of the problem it presents, "English 400," a seminar course offered by the English Department and directed by Mr. Walter J. Peterson, has been continued in its second year as a supplementary activity for ten qualified seniors.

The seminar meets one day a week for fifteen weeks and is worth two credit points toward graduation. Two basic requirements of the course are the reading of several related books and the writing of a research paper on any topic of interest to the student.

Mr. Peterson and the students all feel that "English 400" has been highly successful and beneficial.

Offensive Ability Was Not Enough

The new season began on Memorial Field in Walpole. The Norwood gridders handled the opposition easily, winning 19-0. Ball control and fine defense combined to make opening day a happy one. Mike Carney, Bill Bender, and Vito Anello scored for the Blue and White.

The Milton team, Bay State champions, were next and Norwood played a fine game but bowed 37-22. Trailing 31-0 at the half, the boys came back to put on a tremendous effort, scoring nine points more than any other team managed against Milton the rest of the season.

Injuries in the Milton contest left the team below full strength, but Framingham could not crack a tough Norwood defense as the North team lost 12-0. Mike Carney and Bob DeRose scored for the home team.

A heartbreaking 22-14 loss to Wellesley followed. Playing in 80° heat, the Norwood eleven tired under Wellesley's two units but only after a stirring battle.

Braintree came to Norwood and upset the favored Norwood eleven, 8-6. A 55-yard

Norwood TD was called back, giving Braintree the win. Again, as in Wellesley, the breaks seemed to go against Norwood.

The Norwood team completed its conquest of Framingham by handing South a 28-14 defeat. Bob DeRose sparked Norwood with two touchdowns. This was a come-from-behind victory for our team, after trailing 14-0 in the first half.

Natick came to Norwood next and defeated the home team 30-16. It was a tight battle but the powerful Natick eleven could not be stopped.

Needham and Dedham followed and the Norwood Gridmen could do no right, losing first to Needham 26-8, and then to Dedham 30-0, on Thanksgiving.

Norwood did not end without laurels. We were the third highest scoring team in the league, led by Bob DeRose, Co-Captain Bill Bender, and Mike Carney. Linemen Co-Captain Paul Donahue, Alan Whitty, Dave Flood, and Dave Eck added their best efforts. All scholastic choice went to end Mike Carney (First Team Patriot-Ledger) and Bill Bender, quarterback.

Better Times Are Coming

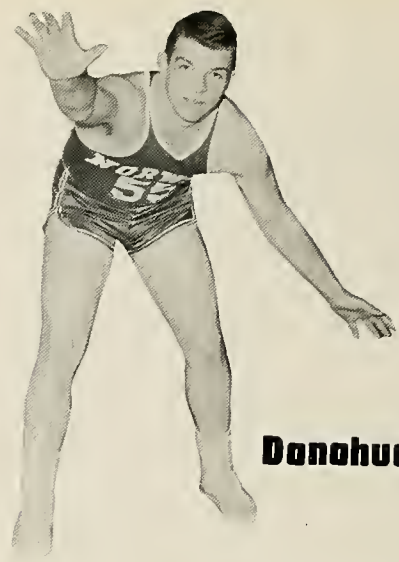

The 1963-64 Norwood High School Basketball team had a rather slow season, but a very encouraging one. The Blue-and-White, coached capably by Mr. Kenneth Nolet, and captained by Bill Bender, posted a 4-14 record for the season, but the picture was not as bad as it might seem. In all but three of the fourteen losses the team was in contention throughout most of the game.

The season's opener saw Milton edge Norwood in a heartbreaker 53-52, despite the fine all-around playing of junior Bill Lindblom. Then the Blue-and-White lost two tough ones, each by eight points, to Wellesley and to Needham. Then after defeats at the hands of the powerful Natick, Braintree, and Framingham teams, Norwood won its first game, a 33-30 thriller over Walpole. The finale of the first half saw another near miss, as Dedham tipped Norwood 55-50, in spite of good work from Captain Bender and senior Dave Flood.

The second half of the season was far more successful. Norwood opened with a 53-46 win over Milton, led by the shooting

and rebounding of Ron Stravinski. Then Norwood met the top teams in the league once more, and dropped five straight; the last was a hard fought 70-66 loss at home to Natick. Next, Norwood put together good spirit and good shooting from Bill Bender, Dave Miller, and Fran Macaulay to beat Walpole 62-52. The Blue-and-White then made it two in a row with a 68-62 win over Framingham North, helped by junior Charlie Hopkins, the captain-elect, and sophomore Chris Effertz. Our final game saw Dedham tip a scrapping Norwood team 68-47.

Coach Nolet feels that, despite the record, Norwood played good basketball and has a bright future. The team, made up of ten seniors, three juniors, and only two sophomores, left a large, capable group of JV's who won over half their games. Special praise should be given to high scoring seniors, Ron Stravinski, and Captain Bender. Other seniors were Dave Miller, Dave Flood, Dave Eck, Paul Donohue, Paul Loughlin, Ken Lindgren, Steve Watson, and John Lynch.

Bay State League Champs

Led by Captain Jack Bayer, the Norwood High hockey team this year achieved the goal for which they had been striving—the championship of the Bay State League. Through nine regular season games and three crucial play-off contests, the Golden Nuggets fought valiantly to come out on top.

Some of the highlights of the season were: the 3-0 win over Walpole, the stalwart performance of the underclassmen in the 6-1 victory over Braintree, the sweep of the three play-off contests, Tom Smelstor's fine shutout record, Jack Bayer's goal in the Marian game, Jack Koval's shutout in his first start against Framingham North, and Paul Angelo's Herculean efforts in a losing cause against Stoneham.

This year's first line consisted of three seniors. Captain Jack Bayer played right wing and set a fine example for the team with his hustle, desire, and leadership. Assistant Captain Paul O'Donnell was the high-scoring left-winger on this line who was always on the move and whose eleven goals made him one of the highest scorers in this year's club. Centering the first line was Assistant Captain Tom Clifford,

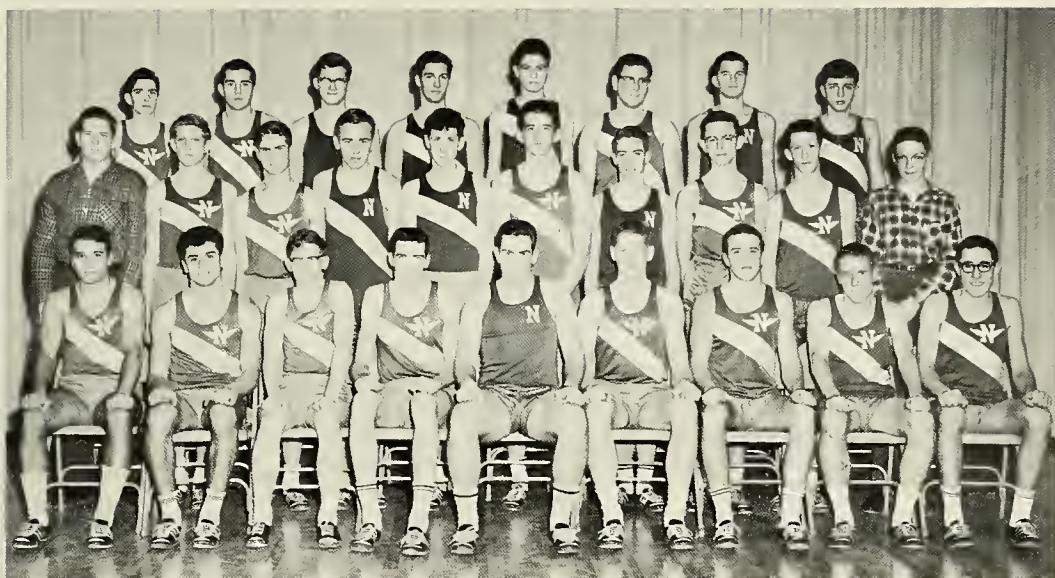

who deserves the highest praise for setting up his teammates on numerous occasions and for frustrating the enemy with his backchecking.

The second line, which was a constant scoring threat, consisted of Rich Hebner, a fine two-way player who was a high scorer and an all-star selection; Blaine Maus, a center who made the line move and was a perpetual threat with his excellent aim; and Paul Angelo, who deserves a great deal of credit for his fine display of hustle all year long which earned him an all-star rating.

One of the major reasons for Norwood's high finish this year was the defense duo of Tim Twomey and Rich Lovell. Twomey was one of the roughest defensemen in the league, who continually frustrated his opponents and who was also an all-star selection. All-Star senior Rich Lovell was Twomey's hard-hitting partner who struck fear into the hearts of many opponents with his slap-shot.

Tom Smelstor played hard in the Norwood nets all year. He led the league in

Track Comes of Age at Norwood High

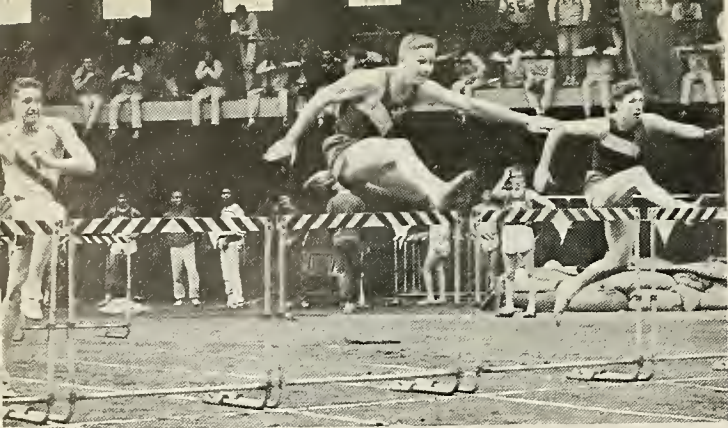

One of the highlights of the sports program this year on the Hill has been the unexpected success of the cross-country and track teams, under the able coaching of Mr. Fred Richardson. The cross-country team, captained by senior Scott Lennox, posted a 5-4 record for a winning season in the tough Bay State League, including a close victory over arch-rival Dedham. The varsity consisted of seniors Scott Lennox, Ed Martin, and Tom Clifford, juniors Jack Baker, Joe Maloney, and Ted Mlynarski, and sophomore Dave Lennox.

This success, however, was only a prelude of events to come. Armed with several returning lettermen, the Indoor Track Team, only in its second year, went on a rampage in the Met Track League, scoring upset victories over Dedham and defending champ Cambridge Latin. Finishing with a fine 6-1 record, the team captained by Bill Reynolds and Ed Martin, ended up in

a three-way tie for the league championship. In the State Meet, Norwood placed a close second in Class B, proving itself one of the state powers in track.

High point man on the team was Bill Reynolds who won the State title in the hurdles and participated in the National Indoor Track Meet in New York. Other fine performances came from senior Steve Bowen, Class B shot-put champ, junior Joe Maloney, League 600 yd. champ, seniors Scott Lennox and Ed Martin in the mile and 1000 yd. run, and juniors Jack Baker and Mike Snellgrove in the two mile.

If past performances are any indication, the coming outdoor track season should see Norwood a crown contender in the Bay State League. Coach Richardson and his assistants are to be complimented on the excellent improvement shown in this program in the course of a year.

Stout-Hearted Men

Mr. Poce, in his third season as baseball coach at Norwood High, has a spirited and well-balanced team this year. The team has good hitting, a steady defense, fair depth in pitching, and several fine base runners.

On the mound Jim Sweeney, Charlie Hopkins, Paul Loughlin, and John Lynch, the only lefthander on the staff, are Coach Poce's starters. Blaine Maus is the team's relief specialist.

The defense is keyed to the fine play of Captain Mike Carney at second and of Rich Hebner at short. Charlie Hopkins at first and Paul Angelo at third round out the infield. The members of the outfield, Tony Troilo, Bill Del Signore, and Jack Lanzoni, can cover a lot of ground and their strong arms keep opposing baserunners wary.

Offensively, Mike Carney and Rich Hebner give the team good power and Bill Del Signore, Tony Troilo, and Rich Santospago have shown they can come up with the clutch hit.

The team has a strong "bench" manned by Rick Johns, Mike Falcone, Paul O'Donnell, and Don Leavitt.

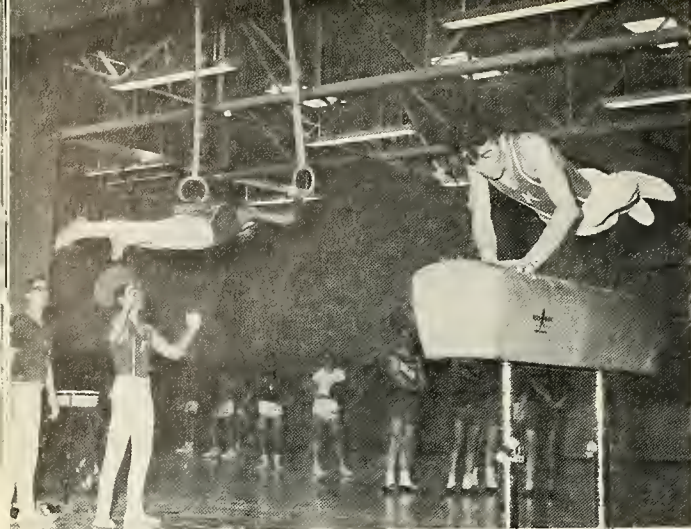

The team opened the season with a 3-2 victory over Milton on a fine pitching job

by Jim Sweeney. Losses to Dedham, 10-6, and to Framingham South, 7-6, failed to dampen the boys' spirits as they bounced back to overwhelm Needham, 10-3, and Framingham North, 17-4. Following a heart-breaking loss to Wellesley, 2-1, in extra innings, Norwood gained an 8-0 victory over Walpole and suffered an 11-1 loss to Natick.

The boys should improve a great deal during their ten remaining games and have a good chance to finish near the top of the standings. Win or lose, these boys have fine spirit and will be in there fighting all the way.

The remaining games are:

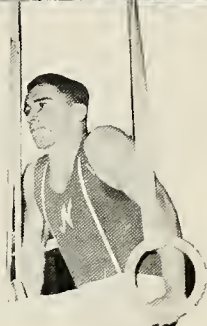

May 11—at Braintree

Class Will and Testament

We, the Class of Nineteen Hundred and Sixty-Four, being of relatively sound mind and body, do hereby proclaim this to be our last will and testament, bequeathing our most precious possessions, acquired during the course of our three years on the Hill, to the undergraduates most deserving of the honor, and do declare all other endowments set forth in our name null and void.

- Article I:** To Mr. Hayden we leave our warmest thanks and lifetime gratitude for guiding our wandering footsteps these past three years; and so that he may not forget Norwood High School, a calendar of revolving months and a watch that runs backwards as well as forwards.
- Article II:** To Mr. Monbouquette we leave a life-time supply of laurels and a cat-o'-nine-tails, for his double duty of praise and discipline.
- Article III:** To Miss Ryan we leave a book on the fashions of Christian Dior, and a supply of multi-colored belts to hand out to her shift-clad girls.
- Article IV:** To Mrs. Riley the class of 1964 bequeaths its heartfelt appreciation for her untiring efforts on behalf of the Tiot, and vitamin pills to restore the adrenalin she used to get this yearbook out.
- Article V:** To Mr. Dunn we leave a tape recorder to lecture to his classes, so he may be free for his adventurous odysseys.
- Article VI:** To Mr. Buscone our class leaves a book: "Why Mathematical Ideas are not Fit for Impressionable Adolescents."
- Article VII:** To Mr. Dehler we leave a toga, a copy of the *Aeneid*, and some Lipton's Tea for that "change of pace."
- Article VIII:** To Mr. John Flaherty, English 41H leaves a gold-plated lecturn, and some playing cards for solitaire, to tide him over during those "unresponsive" moments.
- Article IX:** To Mr. Picirilli the class of 1964 bequeaths a large cauldron and various ingredients, so he will always be able to "cook up" a problem.
- Article X:** To Mr. Learnard we leave a personal intercom microphone so he can broadcast replies to his frequent calls from the office.
- Article XI:** To Mr. Harold Flaherty, his Modern Problems classes leave a year's free admission to the Mount Palmer Club 47.
- Article XII:** To Mr. Winters we leave a trail of goggle-eyed underclassmen, all anxious to "study the humanities."
- Article XIII:** Teresa Alighieri leaves gratefully.
- Article XIV:** Judy Hunnewell leaves her white beanie and advanced laryngitis to next year's cheering captain, but refuses to leave her w(h)itty personality to anyone.
- Article XV:** James Sanphy and Francis McTernan leave behind them a long gasp of relief from the Faculty.
- Article XVI:** Paul Loughlin leaves his ear-bending loquacity to a shy, retiring classman of 1965.
- Article XVII:** Marilyn Cox, Tom Clifford, Perry-Lynn Moffitt, and Paul Maguire leave with nightmares in dollar signs after their sprees as Circulation and Advertising Editors, 1964.
- Article XVIII:** Margie Pender leaves behind still another sibling to continue that durable dynasty.
- Article XIX:** Helen Abdallah leaves her executive ability to the three undergraduate class presidents: Paul D'Espinosa, Bill Crowley, and Caroline Stratton, along with the novelty of a State of the Union address "With the woman's touch."
- Article XX:** Bill Bender bequeaths his remarkable versatile athletic ability and brainpower to any underclassman talented enough to equal him, and energetic enough to keep up with him.
- Article XXI:** Perry-Lynn Moffitt leaves her "Best Student" title to next year's most faithful book-cracker, and the memory of her sojourn abroad to this summer's world traveler.

- Article XXII: John Maddocks leaves his cheerleader's outfit and form to be treasured (and emulated) by Janet Carlson, Jane Fuller, Marty O'Leary, Pat Sweeney, and Nancy Devine.
- Article XXIII: Susan Romoska and Marcia Donahue leave a memorial of their artful designing in the 1964 Tiot.
- Article XXIV: Jim Sweeney bequeaths his accomplishment quotient to some lucky 1965 go-getter.
- Article XXV: Betsy Anderson leaves her title of Miss Personality and Brains to Arlene Black, who seems her logical successor on the Hill.
- Article XXVI: Paul Donahue and Bill Bender leave their gridiron co-captainship to next year's football heroes, with the hope of better things to come.
- Article XXVII: Bill Bazy leaves his unbelievable organizing ability and diamond-studded gavel to 1965's top G-man.
- Article XXVIII: Anne Drew and Steve Bowen leave with a prescription for strong tranquilizers, to quell those "post-editorship" nerves.
- Article XXIX: Victor Lapuszynski leaves us with a new conception of brilliance: innocent, (looking), slow (talking), sweet (seeming), and caustic (mocking).
- Article XXX: Brenda Babel bequeaths her dimples and offbeat sense of humor (?) to the underclassmen. And "you'd better believe it!"
- Article XXXI: The class of 1964 leaves as the first graduating group from Norwood High to experience the Beatles, as any unwary visitor to travel near the various Modern Problems classes will attest.—Yeah, yeah, yeah!
- Article XXXII: Paul O'Donnell leaves his bottle of onion juice and his personal manager to next year's first-line left-winger of the Golden Nuggets.
- Article XXXIII: Helen Houghton bequeaths to her friends those wonderful driving experiences. That is, to her friends still living.
- Article XXXIV: John Kelly leaves us recollections of "refreshing" discussions in Mrs. Heffron's sixth-period calm, serious Problems of Democracy class.
- Article XXXV: Martha Black will, we hope, leave her well-disciplined memory to the Russian space program.
- Article XXXVI: This graduating class leaves behind the memory of bomb scares on beautiful autumn days, plus a geiger counter and demolitions expert to arrest further epidemics of get-out-of-school-itis.
- Article XXXVII: The class of 1964 leaves Norwood High regretfully, with mingled emotions and many happy memories.

In witness thereof, we have hereunto subscribed our names and affixed our seal on this the seventh day of June, in the year of our Lord nineteen hundred and sixty-four.

All, too, will bear in mind this sacred principle, that though the will of the majority is in all cases to prevail, that will, to be rightful, must be reasonable; that the minority possess their equal rights, which equal laws must protect, and to violate would be oppression.

Muchas Gracias

We wish to take this opportunity to thank the sponsors and advertisers who have helped us finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.

In Memoriam

Germaine Sankey
May, 1946 - April, 1961

Gerald Graham
January, 1946 - May, 1964

It is an unusual and a sad circumstance that amid the general rejoicing and the high spirits attendant upon graduation, that those who started the long march together are not together at the finish.

Germaine Sankey was a wholesome, friendly girl whose life's ambition was to be a nun. That she never will attain this inspiring state is cause for sorrow to us as well as to her parents.

The accidental drowning of Gerald Graham so close to our final days at N.H.S. came as a numbing shock to all. A big, husky lad who was always thoughtful and courteous of others, he had many friends and no enemies. With his parents we grieve at his untimely death and we extend our heartfelt sympathy to them.
